### Description:

EMBLEM SOFADH is a white-opak glossy cling PVC-film. SOFADH has a cast-coated liner. SOFADH can be printed with solvent- und eco-solvent-inks.

The film clings on a plane smooth surface with print-side or backside without glue. SOFADH can be used multiple. If necessary the film can be cleaned with soap and water to renew the adhesion power. SOFADH leaves no residues.

SOFADH has a durability of up to 3 years inside and up to 1 year outside.

A typical application is shop window advertising and POS advertising.

To avoid fingerprints the use of cotton-gloves is advisable.
